Chairman

MANAGING DIRECTOR, s MESSAGE

Taj College of Nursing & Allied Health Sciences Bannu has been established with the sole aim to provide quality health education to its students. An education that results in liberating the minds of students from vicious circles of ignorance, lack of desire to learn, prosper and grow and to become humans in fullest sense. Here we are striving to provide excellent environment along with excellent teaching, so that our students are exposed to mature, civilized patterns of thoughts and habits. I would like to persuade my students to play a meaningful role in the development of the institute as a seat of higher learning by monitoring the teaching standards because without their timely, honest and mature feedback, a vision of such an institution stated above would be difficult. Another objective on which I would like to address students is to make best use of the facilities provided by the institution for their in-depth training which definitely give them an edge in the competitive market in this way.

PRINCIPAL MESSAGE

“Welcome to the Taj College of Nursing and Allied Health Sciences, where we are committed to providing the highest quality of education and training in nursing and health sciences. Our mission is to provide the most competent and compassionate healthcare professionals possible." has had a positive impact." " in individual and community life.

At Taj College, we believe in fostering a culture of excellence, innovation and inclusion. Our faculty consists of experienced and dedicated professionals who are passionate about teaching and educating students. Our state-of-the-art facilities and equipment provide students with an exemplary environment that prepares them for real-world challenges.

We offer a variety of programs that meet student needs, from certificates to degree programs in nursing and allied health sciences. Our curriculum is designed to equip students with the knowledge, skills and attitudes they need to succeed in their chosen careers.

At Taj College, we value the success and well-being of our students. We provide a range of support services, including academic advising, counseling and on-site support, to ensure our students reach their full potential.

I invite you to browse through our prospectus and discover the opportunities that await you at Taj College of Nursing and Allied Health Sciences. Join us on our journey to excellence in health education.”

INTRODUCTION TO TAJ COLLEGE OF NURSING

Taj College of Nursing and Allied Health Sciences in Tughal Khail, Bannu is dedicated to providing high-quality education and training in the field of nursing and allied health sciences. With a commitment to excellence, we aim to nurture skilled professionals who will contribute significantly to the healthcare industry. Explore the opportunities and academic programs that make Taj College a cornerstone for aspiring healthcare professionals. At Taj College, we take pride in our state-of-the-art facilities, experienced faculty, and a comprehensive curriculum designed to prepare students for the dynamic healthcare landscape. Our focus extends beyond theoretical knowledge to hands-on training, ensuring graduates are well-equipped for real-world challenges. Join our community of learners, where innovation, compassion, and dedication converge to shape the healthcare leaders of tomorrow. Discover a supportive environment that fosters growth and empowers students to make a meaningful impact in the noble field of healthcare. Embrace a learning environment that encourages critical thinking, research, and practical application. Taj College is not just an educational institution; it's a community that values diversity, collaboration, and a commitment to ethical healthcare practices. Our campus in Tughal Khail, Bannu, provides a serene backdrop for academic pursuits, creating a conducive atmosphere for personal and professional development. As you embark on your educational journey with us, anticipate a transformative experience that goes beyond textbooks, shaping you into a well-rounded and compassionate healthcare professional.

VISION & MISSION OF TAJ COLLEGE OF NURSING

VISION

The development of an enabling environment in which the society perpetually engaged itself in the pursuit of knowledge, understanding and skills for the attainment of a world, self-Contained in all respects, I.e. moral, material, cultural, and intellectual, where peace, harmony, mutual understanding, and cooperation and tolerance will be the norm and order.

PATHOLOGY LAB

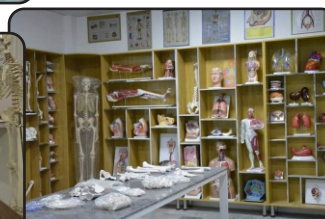

SKILL LAB

Taj College of Nursing (TCN) follows the curriculum developed by Pakistan Nursing & Midwifery Council, approved by Higher Education Commission Pakistan, Pakistan Nursing & Midwifery Council that focuses to equip the students on required knowledge and skills of basics of nursing field required for a student to develop into a professional nurse and work in clinical area by developing Clinical Bedside Skills. Undergraduate nursing students are trained with skills in pre-clinical laboratory (Skills laboratory) for learning skills to provide comprehensive nursing care to the patients before they are exposed to real hospital situations.

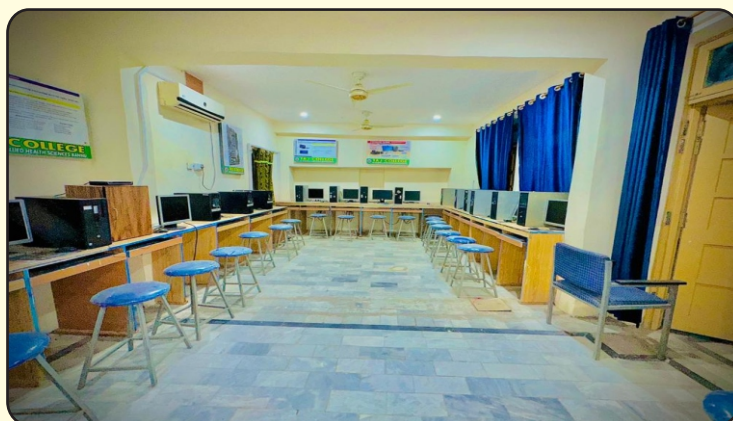

We have fully equipped basic and advanced Skills lab. Students are trained with sufficient proficiency under the guidance of experienced mentors to transform themselves into experts in nursing skills. Students are being evaluated through evaluation checklist and Objective Structured Clinical Examination (OSCE). The department focuses on students' exposure to real scenarios to use the trainings into action. The department focuses on molding the beginners with right attitude towards the nursing profession.

Specific Competencies & Skills: Patient safety
Medication administration
Activity and exercise Hygiene & nutrition
Oxygenation
Fluid electrolyte and acid base balance Elimination needs
Wound care Ethics & values
Legal implications in nursing practice Evidence-based
practice Communication
Problem solving & critical thinking Analytical thinking
Health assessment Nursing process
Infection prevention and control
